

Massive Open Online Course (MOOC)

'Working in Teams: A Practical Guide'

Instructions for students

The TEAMS101x course is hosted on the edX platform. As a UQ student, you have access to an exclusive code, which provides you a free upgrade to verified enrolment status.

Verified enrolment will provide you:

- Full access to the course materials
- Full access to all graded assessment
- Access to the course past the course end date, and
- A verified certificate upon successful completion of the course graded assessment.

Expected Learning Outcomes:

By the end of this course, participants will be able to:

- Identify the difference between a group and a team
- Understand how the personalities and role preferences of team members influence team dynamics
- Identify their own preferences, strengths and weaknesses in terms of team role types
- Understand how to use communication techniques to improve teamwork
- Understand the importance of addressing emergent team issues before they develop into team conflict
- Identify strategies for addressing team performance by resolving team conflict or dysfunction

Accessing the course

Step 1:

You will be prompted to log in with your UQ details.

The image shows a screenshot of the UQ Authenticate login interface. It features a purple header with the University of Queensland logo and the text 'UQ Authenticate'. Below the header is a white box containing a green padlock icon with a checkmark, the text 'UQ Authenticate', a 'UQ username' input field, a 'Password' input field, and a blue 'LOGIN' button. At the bottom of the white box are links for 'Trouble logging in?' and 'Remember my username'.

Step 2:

Click on the continue button to confirm verified enrolment to the TEAMS101x course.
